

Christine Nightingale

After studying Hypnosis for Fertility, Christine found that while working with clients, she would get very clear messages from their miscarried or not yet conceived babies. Her speciality has become getting messages from these babies explaining their difficulties in coming in, and suggestions for making it easier. She has worked with well over 600 couples, facilitating communication and pregnancy. She is also a grandmother of 3 (and one on the way) plus two bonus (step) grandkids.
